Dear Brother Doug,

It was good to see you in Modesto. It was also good to get your letter and to hear the many projects you are considering. All of them sound good, but it would be tremendous if you decide to work for the Union.

Please do let us know what you finally decide to do. Perhaps you can come to La Paz for a visit so we can talk about a project.

I will wait to hear from you.

Viva la Causa,

Cesar E. Chavez  
President

PS: Thank you for the donations. We will indeed put them to good use.
